Outdoors

The Sandberg Survivor 7in1 Torch Powerbank 5000 is perfect for camping or a good hike in nature. It offers a wide range of useful features in one device: Powerful LED torch with multiple brightness levels and zoom lens, side lantern with multiple functions and red light option. The built-in rechargeable battery works both as a battery for the light, but can also be used as a powerbank to charge a smartphone via the built-in USB connector. Robustly built in an IPx4 certified aluminium design, so you can safely carry it with you in harsh conditions. Additionally, the torch can be used as an emergency hammer via the crown at the top.
