

Minecraft™ creativity in the pig-shaped house
Put real-world adventures into Minecraft™ players' hands with this 490-piece, LEGO® brick adventure playset.

The Pig House is perfect for play and display
Kids can build the same unique creations they do in the online game – a giant pig house packed with cool features.

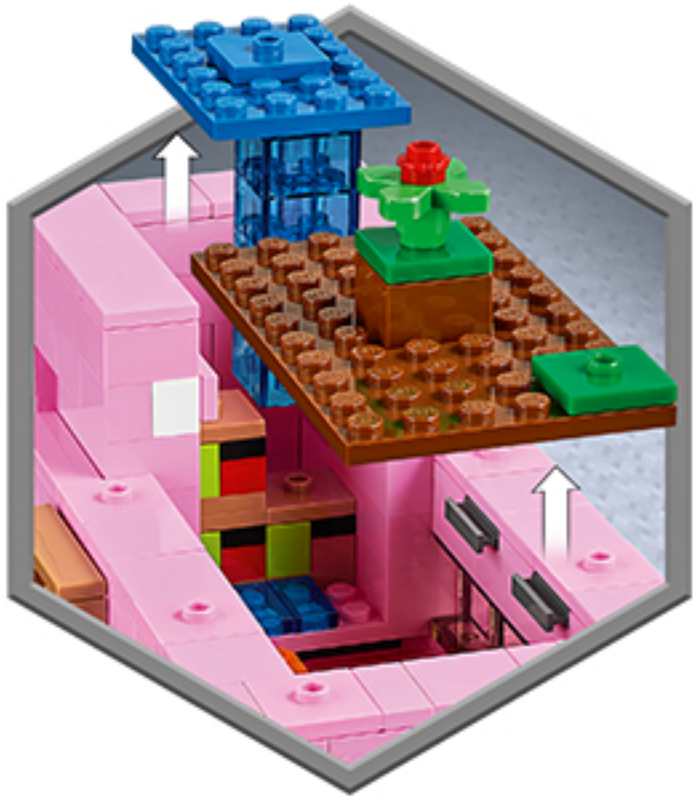

LEGO® Minecraft™ The Pig House

More fun inside the Pig House

Open the side to reveal authentic Minecraft™ features.

A secret room to discover

A lift-off roof uncovers a hidden library to explore.

Includes iconic characters

Alex, Creeper™ and 2 pigs inspire imaginative role play.

Authentic accessories

Lots of fun extras to kick-start creative stories.

Endlessly reconfigurable

The entire head-room detaches to fit elsewhere on the model.

Explosive fun!

When it's time for a rebuild, use an explosion function.

Take Minecraft™ adventures to the next level
Combine this set with others from the LEGO® Minecraft™ range to expand kids' imaginative play possibilities even further.
