Bestway Lay-Z-Spa Hot Tub Floor and Yard Protector 1.96 m x 1.96 m:

Prolong the life of your hot tub with the Lay-Z-Spa Floor Protector. Made of a durable polyethylene material, the floor protector provides an additional layer of protection and insulation between your spa and the ground. The floor protector also improves the energy-efficiency of your spa by retaining heat and preventing it from escaping through the bottom liner. The 16 connectable pieces easily link together to create a customizable size for your specific hot tub, and the set also includes an additional piece to protect the bottom of the pump. The Lay-Z-Spa Floor Protector is compatible with all types of spas; multiple sets can be connected together for spas larger than 1.96 m x 1.96 m (77 in. x 77 in.).
