- Vertical shots of steam for hanging clothes

3000 W Power, No burns guaranteed, SteamGlide Elite soleplate, 55 g/min continuous steam

DST8020/20

Highlights

3000 W for fast heat-up

Get started on your ironing in no time with more power for fast heat-up.

Continuous steam up to 55 g/min

With a continuous steam output of 55 g/min, no glide over your garments is wasted so you can remove creases faster.

Steam boost up to 240 g

240 g strong steam boost to remove stubborn creases from all your garments.

No burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

SteamGlide Elite Soleplate

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. The super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

300 ml Water Tank

Fewer refills are required thanks to a large 300 ml water tank, so you can iron more clothes in one go.

Auto shut-off

To give you peace of mind, the steam iron automatically switches itself off after 8 minutes.

Quick calc release

The quick calc release helps to maintain peak performance by removing calcium build-up or limescale.

Vertical Steam

The vertical shots of steam let you freshen up garments on the hanger and remove creases from curtains as they hang. Press and release the steam boost trigger for shots of steam on demand.
