Sandberg Survivor Torch Powerbank 5000 is the perfect gear for adventure, expeditions and camping – and could save your life in an emergency. The strong, built-in battery ensures a long-lasting strong light and the possibility of hazard flashers for many hours. On the side of the torch there is a USB port allowing you to charge your smart phone. Highly robust design that will make it last in rough conditions. You can adjust the light cone as necessary. Additionally, the torch can be used as an emergency hammer.
