Highlights

Ready to use in ~30 seconds

Ready to start steaming in just 30 seconds. The light indicates when you are ready to start so you're finished in no time. No waiting, no hassle.

Storage pouch included

Philips handheld steamer 3000 Series comes with a pouch, useful for when you travel or just to easily store it at home.

120 ml detachable water tank

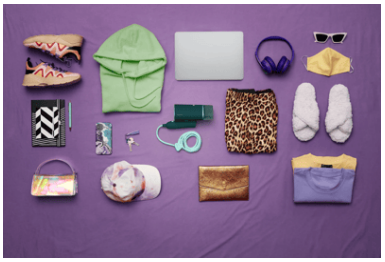

Philips handheld 3000 Series comes with a 120 ml detachable water tank to steam up to 1 outfit without the need to refill. You can easily detach the water tank of your steamer and refill it under the sink.

No ironing board needed

Hassle-free steaming. Save time when you are in a rush, no need to set up the ironing board.

Compact and foldable

Our handheld steamer 3000 Series is designed to be light, compact and foldable for easy usage and storage to re-assure fresh outfits anytime, anywhere. It is your ideal companion for easy and quick touch-up at home or on the go.

Metal steam plate

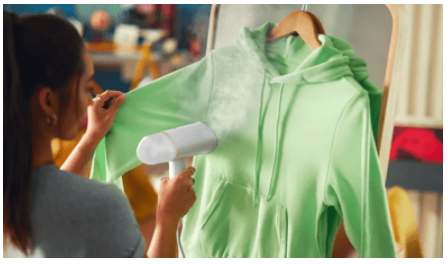

Our metal steam plate allows you to safely press the steamer against the fabric while steaming, providing better steaming results with no risk of burning. Safe to use even on the most delicate garments.

Refresh and remove odours

The hot steam of our handheld steamer 3000 Series refreshes your delicate clothes in an instant, removing odours. Wash less, iron less, save energy and you will prolong the lifespan of your garments!

Kills 99.9% of bacteria*

The past few months have made us look for more healthy and hygienic solutions. Our handheld steamer kills 99.9% of bacteria*. You can even steam your curtains and bed sheets.

1000 W, up to 20 g/min

Our handheld steamer delivers up to 20 g/min continuous steam, thanks to its 1000 W. For quick and convenient steaming.
