- Removable filter captures limescale particles
- Strix controller

Highlights

Flat heating element

A concealed stainless steel heating element ensures fast boiling and easy cleaning.

Multi safety system

Multi safety system against boil-dry, with auto switch-off when the water is ready.

Pilot light

Elegant indicator light incorporated in the power switch illuminates when the kettle is turned on.

Water level indicator

The water level is easy to read with an indicator located on one side of the kettle.

A cup indicator

Enabling consumers to boil the amount of water they need, and therefore save up energy and water, contributing to a better environment.

Spring lid with large opening

The push-button lid opens smoothly at the touch of a button, avoiding steam contact. The large opening simplifies cleaning.

Easy refilling

The kettle can be filled through the spout or by opening the spring lid.

Cordless + 360° pirouette base

The cordless kettle sits on a 360° pirouette base for easy lifting and replacing.

Hidden cord winder

The cord can be wrapped underneath the base, so it's the right length for any kitchen and easily stored away.
