HD2350/80

Highlights

3 different plate sets

No more sandwiches sticking to plates or endless scrubbing. With our sandwich maker with removable plates, simply take them out and clean easily thanks to the long-lasting non-stick coating.

750 W of power

Rapid heating toasts everything to crisp, golden perfection in this powerful 750W sandwich toaster.

Removable non-stick plates

No more sticking and scrubbing. Simple remove the plates and clean with ease thanks to the long-lasting non-stick coating.

Even heating

Enjoy sandwiches just how you like them: melted, mouthwatering and perfectly golden brown all over.

On/off switch

No need to unplug your sandwich press to turn it on and off.

Compact vertical storage

The sandwich toaster stands vertically for convenient storage on your countertop or in the cupboard.

Indicator lights

Lights clearly indicate when your panini maker is warming up and when it's ready to use.

Built-in cord storage

Wrap the cord for orderly storage without cluttering your kitchen.

Easy Lock system

Press sandwiches to perfection every time with a toastie maker that easily snaps open and closed.
