# Highlights

## Rapid Air Plus Technology

No more burning or undercooking. Our patented design optimises heat circulation to not go only around the food but also through it for best results: crispy, tender, evenly cooked food every time.

## 2 drawers, 2 sizes

2-drawer Airfryers: the large drawer is perfect for mains, chips and whatever you love most. Use the smaller drawer for sides, veggies and snacks.

## Time function

Automatically synchronise cooking times in 2 drawers, so that all of your food is ready to serve together. One meal, fresh and hot.

## Copy function

Quickly set the same cooking time and temperature for dual baskets at the touch of a button.

## HomeID recipe app

The best dual Airfryer with tailored recipes in the HomeID app. Gives you step-by-step guidance and hundreds of mouthwatering meals with specific settings for your Dual Basket Airfryer.

## Touchscreen with 8 presets

No more checking or guessing. With the touchscreen display, the Dual Basket Airfryer has pre-set temperatures and times for fresh fries, frozen fries, chicken, meat, veggies, fish, cakes and reheating.

## 90% less fat\*

Now you can make delicious, guilt-free food with virtually no need to add oil for healthy meals with no compromise on taste.

## Energy efficient

The Dual Basket Airfryer is wallet-friendly, consuming less than 70% of the energy of a standard oven.\*\*

## Faster than an oven

Unbeatable speed. Save time and prepare a meal in only a few minutes\*\*\*

# Specifications

## Country of Origin

Produced In: China

## Technical Specifications
