

No Blind Spots Anytime, Anywhere

eufyCam E330 (Professional)

24/7 Recording

4K Ultra HD

BionicMind™

Enhanced Wi-Fi

Cross-Camera Tracking

Expandable Local Storage

24/7 Recording

Enjoy uninterrupted recording with reliable plug-in power. Never miss an important moment.

Notice Every Small Detail

Using a true 4K lens and sensor, the camera's crisp 4K images are so powerful you can read license plates up to 32.8 ft (10 m) away.

Enhanced Wi-Fi

Enjoy enhanced Wi-Fi network range, speed, and stability with Multi-Bridge Technology, covering up to 5,000 ft² (464 m²).

Cross-Camera Tracking

Skip the hassle of manually sifting through video from multiple cameras at different times to see an entire event. The AI identifies people, merges related clips, and allows you to see everything in one place.

24/7 Smart Assistance with BionicMind™

With advanced recognition enabled by BionicMind™, your security is elevated to the next level. Know instantly if there's a stranger at the door, or when your family arrives home safely.

Expandable Local Storage

HomeBase S380 can be expanded up to 16 TB with an additional storage drive, allowing you to save months of 24/7 security footage.
