Highlights

Precision trimming comb

The patented trimming comb offers 11 length settings between 1–3 mm, so you can achieve an even trim at the exact length you want.

Self-sharpening steel blades

Stainless steel blades remain as sharp as day one for long-lasting performance. No oil required.

BeardSense technology

The trimmer scans the beard density 125 x per second and boosts power exactly when you need it to tackle dense, bushy or longer beards.

13-in-1 trimmer

This all-in-one trimmer offers 13 tools for all of your grooming needs. Conveniently trim and style your facial hair, clip your hair and groom your body.

Precision beard styling

The trimmer and its multi-comb set offer 19 length settings from 0.5 to 16 mm in up to 0.2 mm precision steps for shorter and longer beard styles. The narrow design of the precision trimmer attachment makes it easy to create

sharp edges and fine details. Clean up your cheeks, chin and neck with the metal trimmer to finish your look.

Comfortable body grooming

Shave comfortably below the neck with our body shaver attachment. A unique skin-protection system guards sensitive areas while you shave as close as 0.5 mm. You can also trim body hair with the click-on comb.

Easy hair clipping

With the trimmer's multi-comb system you can choose length settings between 0.5–16 mm to create your hairstyle at home.

Nose/ear/eyebrow trimming

The nose/ear trimmer attachment removes unwanted nose and ear hair quickly and safely. Easily keep your eyebrows neat and tidy with the dedicated eyebrow comb.

Up to 120 minutes runtime

A powerful lithium-ion battery provides up to 120 minutes of runtime with a 5-minute quick charge option for long life and maximum power.

100% showerproof

The trimmer is water resistant, so you can use it comfortably in the shower and clean it easily under the tap.

Battery indicator

A battery indicator lets you know your battery status: low, empty, charging or full. So you never get caught with an empty battery in the middle of your trim.

Premium ergonomic design

The trimmer is easy to hold and manoeuvre with an ergonomic rubber grip for superior comfort and control.
