

Highlights

Double metal balloon beater

The double metal balloon beater together with the one-touch auto button creates fluffy egg whites (up to 600% volume increase) and perfectly whipped cream (up to 200% volume increase). Creating delicious desserts has never been easier!

Innovative metal kneading hook

Together with the strong motor, this metal kneading hook quickly forms a dough ball from your ingredients. Once the dough is formed, the innovative kneading hook works the dough with the right force and power so you can make the tastiest bread.

Blade unit

PowerChop technology

PowerChop

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result for both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

One-touch auto buttons

In addition to the manual 12 speed + pulse control, this Avance Food Processor comes with 3 one-touch auto buttons. To select them, simply turn the control dial to the "ON" position and press the one-touch auto button. The motor then automatically sets the right speed and auto pulse functions for the best results.

XXL Discs for faster processing

Thanks to the XXL discs (18 cm), the Philips food processor will provide you with faster performance, saving you time and effort while cooking.
