

# Poly EncorePro 510V Monaural Headset VoiceTube +Quick Disconnect

\*Product image may differ from actual product

## Ready, headset, go

Unleash your call center productivity with the EncorePro 500 Series headsets. Connecting your headset to your PC, from home or the office, is easy with multiple options. And with the lightweight and comfy design, your agents will stay engaged.

### Incredible call clarity

Experience enhanced call clarity with visual and tactile cues for optimal mic boom positioning. Enjoy superior sound quality and clear conversations with our voice-optimized frequency response.

### Durable and comfortable

Equip your contact center employees with durable headsets designed for all-day use. Minimize breakages and downtime, saving time and money. And ensure employee comfort and satisfaction with our premium, lightweight design.

### Remote firmware and cloud system updates

Never worry about updates, thanks to remote firmware and cloud system updates.<sup>1</sup>

## Featuring Voice tube design

Our voice tube microphone design ensures clear voice delivery without distraction. The detachable voice tube is both clear and easy to clean or replace.

### Expanded compatibility

Walk away from your desk with a click thanks to Poly Quick Disconnect (QD) technology that works with any Poly QD adapter.

### Optimized for communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.<sup>1</sup>

### Acoustic hearing protection

SoundGuard is the acoustic limiting technology that is present in all communications headsets from Poly that protects against Acoustic Shock by limiting sounds to below 118dBA.<sup>1</sup>

### Recessed buttons

Eliminate button-pushing mistakes with recessed buttons that don't get accidentally activated.<sup>1</sup>

### Single button for joint audio/video hold

Enjoy worry-free privacy and peace of mind with a single button for joint audio and video hold.<sup>1</sup>
