

**Construction site vehicles and workers**

Develop preschoolers' fine motor skills and problem-solving abilities with this open-ended role-play toy.

**Ideal for budding builders aged 2 and up**

This versatile set includes 2 construction worker figures, a tipper truck and an excavator with a movable cabin and shovel.

**LEGO® DUPLO® Construction Truck & Tracked Excavator**

**Develop fine motor skills**

The excavator has a rotating cabin and adjustable shovel.

**Get the job done**

Young builders can operate the truck's tip function.

**Familiar characters**

Kids will recognize the workers wearing hi-visibility vests.

**Budding builders get straight to work**

Simple instructions ensure parents and toddlers maximize the fun and developmental benefits straight from the box.

**Perfect for little hands to pick up and place**

The excavator measures over 7" (18cm) long and combines easily with other LEGO® DUPLO® Construction sets for even more fun.
