

HyperX CloudX Stinger II - Wired Headset - Xbox

COMFORTABLE, LIGHTWEIGHT GAMING AUDIO REFINED.

The HyperX CloudX Stinger 2 is an officially licensed Xbox headset designed for the Xbox player who values lightweight comfort. The CloudX Stinger 2 keeps the fundamentals of the Cloud Stinger and refines them into a worthy successor. Still weighing in at under 300g, it's lightweight, but also still packs a hefty audio punch. Enjoy a wide frequency response that allows you to detect the important audio cues that'll give your opponents away. It features soft memory foam and premium leatherette designed for all-day gaming. Gamers will appreciate HyperX's passion for its craft, which shows up in quality-of-life features like 90° rotating earcups that make it easy to take a break, or the swivel-to-mute microphone that makes muting your mic simple and obvious. Its swivel-to-mute mic and volume controls are located on the headset, grouping all the most important audio functions right on your head for easy access. The passively noise-cancelling microphone is flexible, so you can precisely position it to give you clear communication with your team.

Key features

Official Xbox licensed headset

Getting great sound from your Xbox games couldn't be easier. Simply plug the 3.5mm cable into the back of your controller, and you're good to go!

Adjustable, custom-fit headband

Easily adjust the sliders to give you the proper headset fit. An ill-fitting headset can lead to aches and discomfort. Take the pain out of your grind!

Lightweight comfort with 90° rotating earcups

Built to be lightweight and comfortable enough for all-day gaming, but when you're ready to take a quick breather, swivel the 90° rotating earcups and rest them on your chest.

Easy-Access audio controls

With audio controls right on the headset itself, you won't have to navigate a maze of menus to adjust the volume or mute your mic.

Signature HyperX Comfort

With memory foam ear cushions and soft leatherette, CloudX Stinger 2 delivers premium comfort without the luxury price tag.

Superior sound

50mm drivers produce sound with a wide frequency response, which helps you to pick up on audio cues, improve immersion, and enhance your audio entertainment.

Intuitive swivel-to-mute mic

HyperX quality of life features like the swivel-to-mute microphone are built to enhance your gaming experience. Simply flip the mic up and out of the way to know that you are on mute.

Product Names	Product name: HyperX CloudX Stinger II - Wired Headset - Xbox
Product Numbers	Product number: 75X28AA
Appearance	Product Primary Color: White; Frame type: Plastic
Battery and Power	Impedance: 32 Ω
Compatibility	Compatibility statement: Xbox
Drives	Driver: Dynamic, 50mm with neodymium magnets
Multimedia and input devices	Cable length (metric): 1.2m headset cable ; Total harmonic distortion: < 2%; Element: Electret condenser microphone; Polar pattern: Uni-directional; Frequency response (headphone): 10 Hz – 28 kHz; Sensitivity (headphone): 97.5 dB SPL/mW at 1 kHz; Audio controls: Onboard audio controls; Ear cushions: Memory foam and premium leatherette; Frequency response (microphone): 50 Hz – 18 kHz; Sensitivity (microphone): -41.5 dBV (1 V/Pa at 1 kHz); Audio connection: Wired 3.5mm (4-pole CTIA)
