Included in the scope of supply.

Power outlet with automatic on/off switch for working with power tools

- Dirt that is a result of planing, sawing or grinding is suctioned away directly.
- The vacuum cleaner is switched on and off automatically via the power tool.

Outstanding filter cleaning

- Strong pulse air streams move the dirt from the filter into the container at the push of a button.
- The full suction power is quickly restored.

Patented filter removal technology

- Quick and easy removal of the filter from the filter box - without contact with dirt.
- For wet and dry vacuuming without filter replacement.
