Dryer

EssentialCare

1200 W

Compact

BHC010/10

## Easy care for your hair

The New Philips essential care hairdryer is cute, compact and powerful. 1200 W power enables you to dry hair gently and quickly. Flexible caring settings are designed to meet different drying needs and offer extra care.

### Easy to use

- Foldable handle for easy portability
- 3 flexible pre-selected drying settings for different needs
- Compact design for easy handling and carrying
- Fast air setting for efficient but gentle drying

### Beautifully styled hair

- 1200 W gentle drying for beautiful results
- Concentrator focuses the airflow for a polished, shiny look

### Less hair damage

- Cool air setting for extra-gentle drying
- ThermoProtect temperature setting

# Highlights

## Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hairdryer that will easily pack into the smallest spaces and that you can take virtually anywhere.

## 1200 W

This 1200-W hairdryer creates the optimum level of airflow and gentle drying power for beautiful results every day.

## 3 pre-selected drying settings

This compact hair dryer offers you 3 pre-selected heat and speed settings for cool, caring or quick drying.

## Cool air setting

A cool air setting allows you to dry hair at a relatively low temperature to minimise damage, which makes it suitable for especially fine, dry and damaged hair. And it is a perfect setting for the hot summer season!

## Compact size

Compact and ergonomic, this hairdryer benefits from a clever, modern design. This results in a dryer that is light and easy to handle.

## Fast air setting

The fast air setting (II) offers a higher temperature and more powerful air flow. Although the size is compact, the power of 1200 W enables you to dry your hair in an efficient and gentle way.

## ThermoProtect

The ThermoProtect setting provides the optimal drying temperature while giving additional protection. The ThermoProtect optimal airflow and heat combination allows you to quickly dry your hair without overheating, maintaining your hair's natural moisture level, for shiny, healthy-looking hair.

## Nozzle

Concentrator focuses the airflow for a polished, shiny look
