Product Description

For professional commuters looking for an affordable travel-friendly carrying case made from sustainable materials, the EQ Laptop Carrying Case is the ideal solution.

Using 23.0 x 250ml plastic bottles, the case is made from 52% post-consumer recycled (PCR) polyester. Modern and travel-friendly, the carrying case accommodates up to 16" laptops (including 15.6" notebooks) and includes a padded compartment. A zippered front compartment and multiple pockets offer easy access to files and accessories.

A padded shoulder sling strap delivers support for your neck and shoulders, together with a trolley strap for simple attachment to rolling luggage. The clamshell design simplifies security screening.
