Highlights

RapidAir Plus Technology

RapidAir Plus Technology with a unique star-shaped design circulates hot air around and through the food with faster airflow, ensuring even cooking inside and outside to create delicious homemade meals

2 baskets and 2 sizes to suit any meal

9 L Airfryer with 2 baskets and steam function: The 6 L drawer for mains, fries and favourites, and the 3 L drawer for sides and snacks. It fits up to 1100 g of fries, 1600 g of veggies or 12 chicken drumsticks. The large basket also fits a whole 1.2 kg chicken

Time function

Automatically sync cooking times in 2 baskets for your meals to be ready at the same time

Steam to perfection for tender texture

Our Air Steam Technology ensures a good infusion of steam for your veggies, fish, dumplings or bakes, achieving a tender and delicate texture without being soggy and watery. It preserves up to 87% more nutrient content than boiling ²

Say goodbye to fat residue buildup

Makes it easier to remove fat build-up from the large basket and around the heating tube with the automatic Steam Clean function ³

HomeID app

Discover the Dual Basket Airfryer with personalised recipes on the HomeID app. Enjoy step-by-step guidance and access hundreds of delicious meals with tailored settings for your Airfryer

No more overcooked food

The Airfrying and Steam function automatically creates the perfect cooking environment, preventing any overcooked areas ⁴

Tender and delicate texture

90% of consumers are satisfied with the taste. Achieve the tenderness of steaming with the crispiness of airfrying using RapidAir Plus with Air Steam Technology ⁵

Reheat function

Yesterday's dinner for lunch? Absolutely. The reheat function also uses steam to preserve moisture, making it perfect for reheating dishes like rice or lasagna that dry out in traditional airfryers or microwaves

Specifications

Technical Specifications

Power: 2750 W
Voltage: 220–240 V
Frequency: 50 Hz
Number in pack: 1
Battery Product: No

General Specification
