

**LEGO CLASSIC**

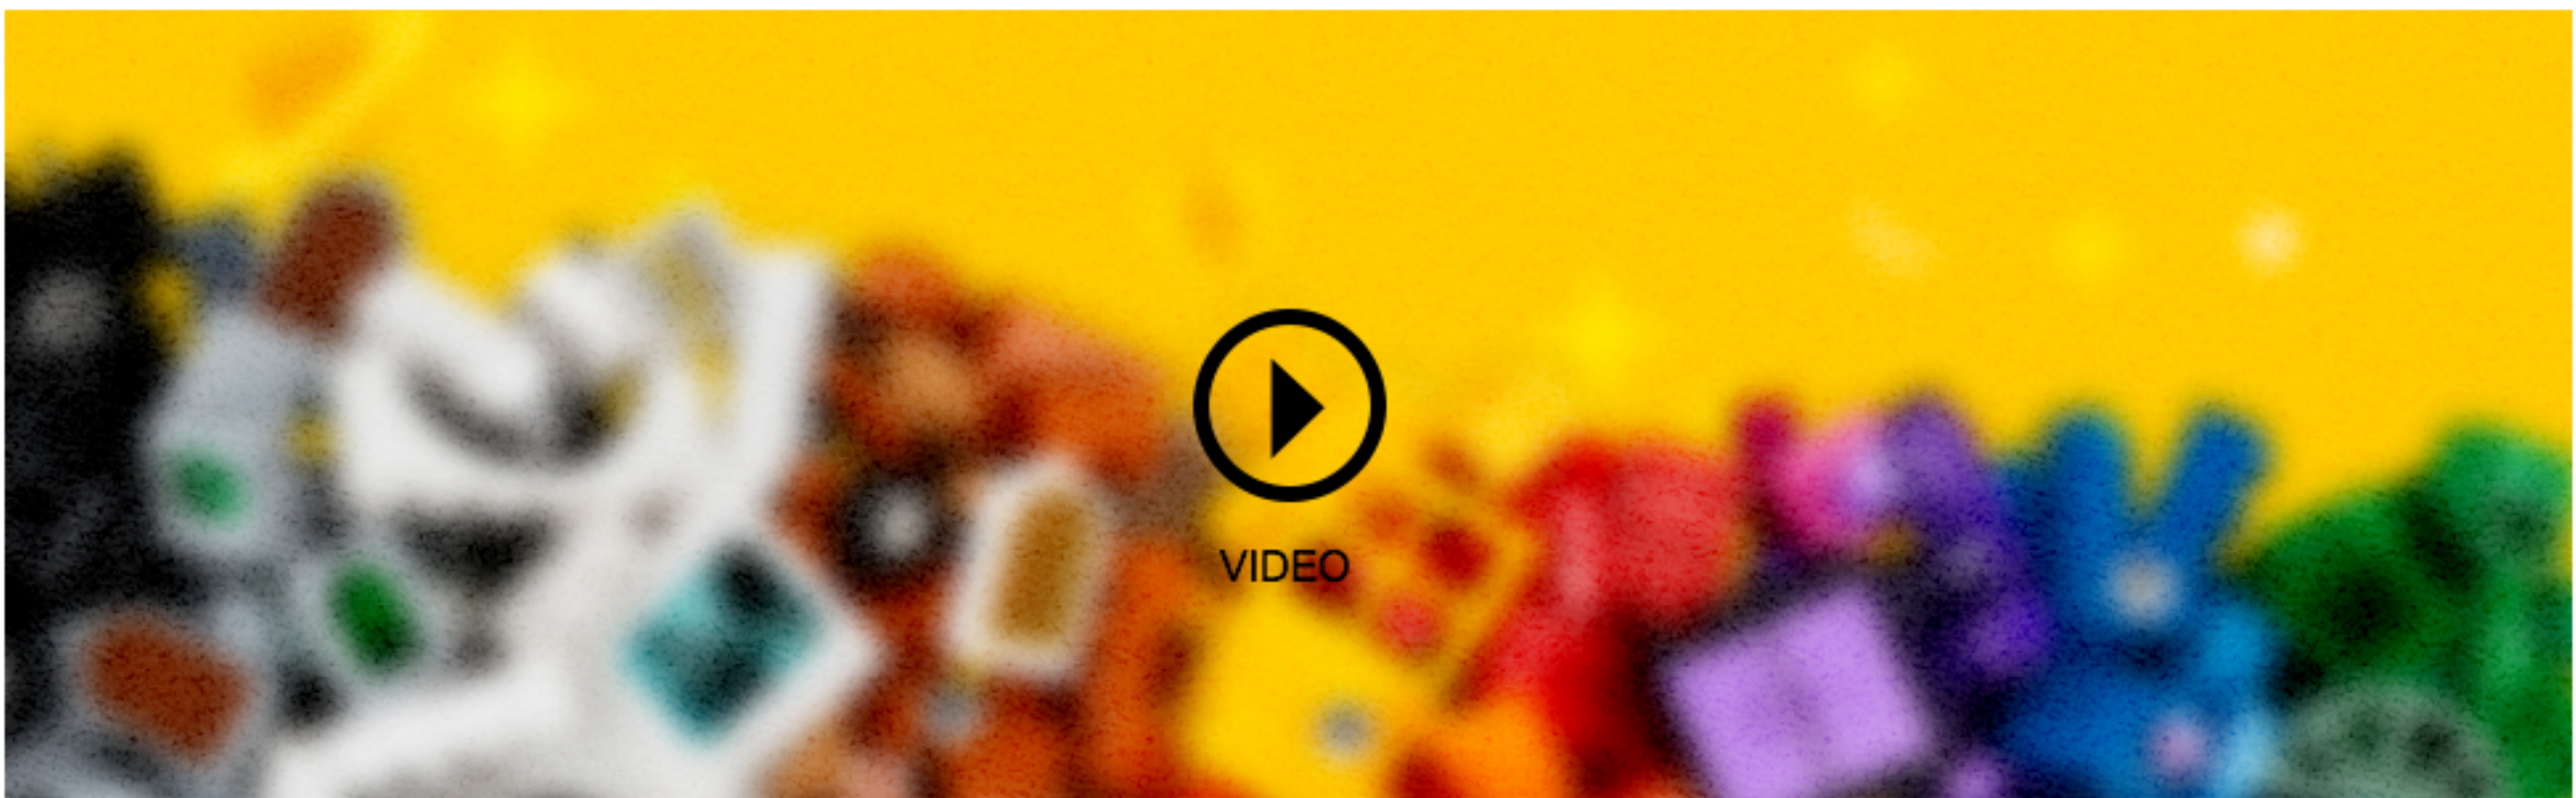

#### A world of creative learning

Introduce kids to some of the world's most iconic animals and a whole world of creative fun with this inspiring playset.

#### Includes 15 build ideas, plus a continents map

Kids build iconic animals and objects from around the world, before placing them in their home continents on the colorful map.

### LEGO® Classic Around the World

#### Exciting build ideas

Inspiring animals and objects unleash kids' creativity.

#### Includes a colorful wall map

This colorful poster shows the home continent of each build.

#### Easy to construct

Each model idea comes with an easy-to-follow building guide.

#### Powering kids' imaginations

Children aged 4 and up develop creative skills and confidence as they build and play.

#### LEGO® fun for everyone.

Kids, friends and families can get creative with this 950-piece LEGO® Classic playset. Learning has never been so much fun!
