

### Elegant Imperial Shuttle™ for play and display

This fun set for ages 9+ features a buildable Imperial Shuttle with lots of play-inspiring features, plus 3 LEGO® minifigures.

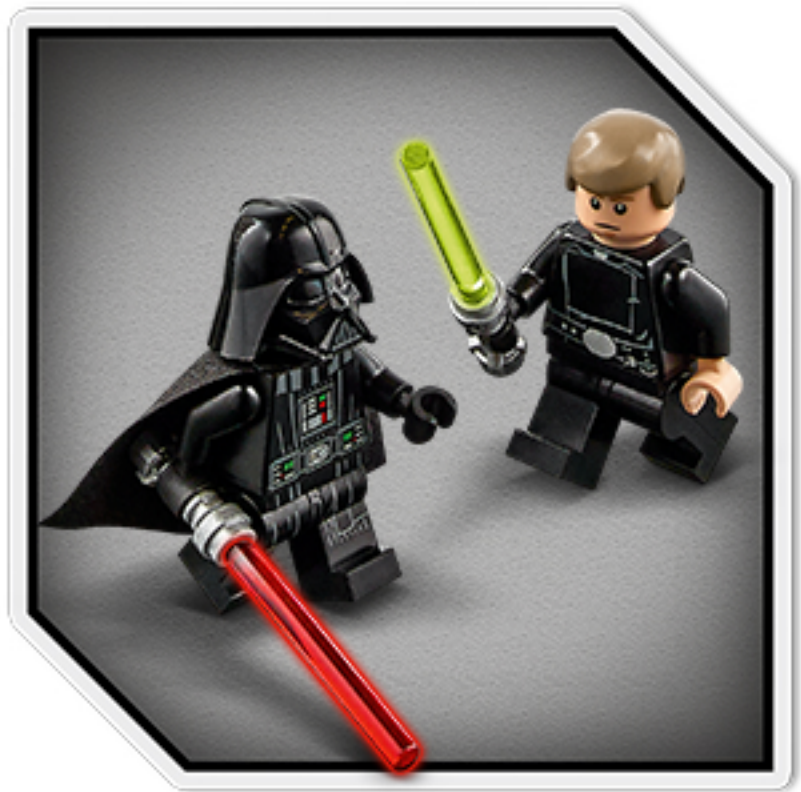

### Action-packed building toy for kids

A great-value, authentically detailed, brick-built recreation of the Imperial Shuttle from the classic *Star Wars*™ trilogy.

### LEGO® Star Wars™ Imperial Shuttle™

Darth Vader

The Sith Lord can take the lead role in role-play battles.

Luke Skywalker

Children will love playing the Jedi hero in their stories.

Imperial Officer

Fly the shuttle with the Imperial Officer in the cockpit.

### Stud-shooting action

The Imperial Shuttle has foldable wings for flight and landing modes, plus 2 stud shooters for playtime battles.

### Feel the creative Force!

This 660-piece construction kit offers imaginative kids a fun, rewarding building experience and hours of stimulating play.
