

PHILIPS

Philips Viva Collection Compact Food Processor

HR7510/10

- 800 W
- 29 functions
- 2-in-1 disc
- Citrus press

Healthy homemade food, unlimited possibilities

Great results with even the toughest ingredients

- Powerful 800 W motor for effortless processing
- PowerChop technology for superior chopping performance
- All-in-one appliance: knead, whisk, shred, slice and juice
- Fast preparation with large feeding tube for minimal pre-cutting
- Colour-coded speed and accessories guide for easy matching
- Quick and easy assembly of all parts
- Smaller footprint and in-bowl storage for all accessories
- 2 –in-1 double-sided stainless steel discs: shred and slice
- Make up to 5 portions at same time with 1.5 L bowl capacity
- All accessories are dishwasher safe
- Resistant and transparent jar for heavy use

Highlights

Powerful 800 W motor

Our powerful motor can easily handle a wide variety of ingredients, such as bread dough, hard vegetables, cheese or chocolate. It also slices and shreds with ease.

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result for both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

Over 29 functions

With more than 29 functions, there is no limit to what you can make: meals, bread, sauces, juices and more. Use its high quality and multi-functional accessories to chop, puree and mince ingredients (S-blade), or just slice and shred (2-in-1 disc). Whatever you're in the mood for!

Large feeding tube

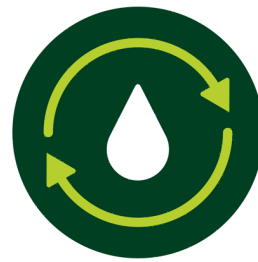

Fast preparation with large feeding tube for minimal pre-cutting.

Colour-coded speed guidance

For perfect results every time, just match the accessory colour to the same speed colour. Use speed 1 to whip cream, beat eggs and make pastries and bread doughs. Speed 2 is ideal to chop onions, mince meat, make smoothies and more.

Quick and easy assembly

Quick and easy assembly of all parts.

Space-saver design

The compact Viva Food Processor takes up less countertop space, yet it is fully equipped with all of the kitchen essentials that you can easily store inside the bowl.

Stainless steel 2-in-1 disc

Ergonomic, double-sided disc makes it easy to slice with one side and shred with the other side!

Up to 5 portions in one go

The generous 2.1 L bowl (1.5 L working capacity) lets you blend up to 5 portions of cold soup in one go.

Specifications

General Specification

Primary Material: Plastic
Secondary Material: Metal
Pre-programmed settings: No
Functions: Blending, Chopping, Slicing/Shredding, Kneading, Emulsifying, Citrus Press
Certifications: NA
Product Type: Food processor
Capacity Basket: NA
Capacity Water tank: NA
Number of servings: 6
