

Powerfully find and capture pet hair everywhere!

The PowerClean FurGuard™ Pro is designed to make cleaning effortless and effective for pet owners.

With the FurGuard™ Self-Cleaning Brushroll, it actively prevents hair wrap, keeping your vacuum running smoothly.

The FurFinder™ Tool removes up to 95% of embedded pet hair, while FurFinder™ Headlight Technology reveals hidden fur and debris.

Its self-standing design offers unmatched convenience, and 3-in-1 Versatility allows easy transitions between stick, handheld, and high-reach cleaning modes.

Powered by a robust 280W motor, it effortlessly handles rugs, hard floors, and stubborn messes. With a removable battery that provides up to 50 minutes of cordless runtime, it's the ultimate tool for maintaining a petfriendly home.
