The GC-PC 2040 I petrol chainsaw from Einhell is equipped with an OREGON quality guide bar and chain. An air-cooled 2-stroke engine with ball bearings at both ends of the crankshaft delivers plenty of power. An anti-vibration feature reduces body stress and fatigue. Primer and auto choke eliminate cold start problems. Digital ignition ensures fast, dynamic fuel intake and stable operation of the engine. Kickback protection with an instant-reaction chain brake, a chain catch and a large stop claw made of metal all contribute to safety during use. The automatic chain lubrication system supplies the chain with sufficient chain oil.
