

Play-and-learn Number Train playset

This push-along train introduces toddlers to colors and counting, while friendly characters boost social-emotional skills.

All aboard the activity-packed train!

This 23-piece playset for ages 18 months+ includes a movable train with 10 colored number bricks, 2 figures and accessories.

VIDEO

LEGO® DUPLO® My First Number Train - Learn To Count

Color-sorting fun

Includes 10 colored number bricks and 3 colored wagons.

Open the train to play inside

A removable roof lets kids place a figure inside the train.

Discover colors and numbers

Load, unload, stack and sort the colored number bricks.

Fun figures inspire role play

Play out stories with a friendly boy, girl and dog.

Great build-and-play set

A poster makes construction fun and inspires activities.

Family fun to share

Parents share developmental milestones with their toddlers.

Versatile toy with endless play possibilities

This preschool birthday or 'just because' gift also combines with other LEGO® DUPLO® sets for even more role-play fun.
