Plug & Play	Yes
Internal interface	SATA III
LED	Yes
Power supply	USB-powered
Operating system	Supports Windows®/Vista/Linux®/macOS® 10 or higher
System requirements	1x USB 3.0 Type-C® or Type-A port on your host computer

ICY BOX **IB-201T-CU31** 2.5" SATA HDD/SSD enclosure with USB Type-C®/A combo cable

USB Type-C®

Enjoy high-speed data transfer of up to 6 Gbit/s and versatile connectivity with USB Type-C®, ensuring compatibility with modern devices and faster data transfer rates. Whether you are backing up important files, transferring multimedia content, or accessing large data sets, the Type-C® interface provides seamless connectivity across a wide range of devices, including laptops, desktops, tablets, and more.

Toolless Design

Designed with user convenience in mind, the IB-201T-CU31 features a toolless design for effortless installation and maintenance of 2.5" SATA HDDs and SSDs. Users can quickly and securely mount or replace drives without the need for additional tools, streamlining the upgrade process and reducing downtime.

Wide OS Compatibility

The IB-201T-CU31 supports a diverse array of operating systems, including Windows® 7/8/10/Vista, Linux®, and macOS® 10 or higher. This broad compatibility ensures seamless integration into existing setups regardless of the operating system used. Whether you're a Windows® power user, a macOS® enthusiast, or prefer the flexibility of Linux®, the IB-201T-CU31 delivers reliable performance across different platforms.
