

**Endless Possibilities
For Your Builder!**

THERE'S NO PLACE LIKE HOME, ESPECIALLY WHEN YOU BUILD IT!

Watch your child have hours of endless fun as they build the Modern Home, or the Lakeside Home, or even the Garden Home! With three building opportunities in one set, the Modular Modern Home set encourages creative play and imagination while also being a great value. Featuring two minifigures, a sofa and armchair, a trampoline, and even a cute dog they can take for a walk once the home is complete.

- Introduce your child to building with an easier modular set
- Cute details for creative and active role play
- Great gift for a new LEGO fan
