- Up to 2x more plaque removal than a manual toothbrush
- Proven to deliver effective oral care
- Proven Sonicare technology

# Highlights

## Say goodbye to plaque

Experience the essence of Philips Sonicare cleaning. This brush head's contoured bristles and W-profile are designed to fit the shape of your teeth naturally and remove up to 2 x more plaque than a manual toothbrush.

## Trusted Sonicare brushing

Experience the clean chosen by millions. Philips Sonicare toothbrushes gently yet effectively clean and care for your teeth and gums with up to 62,000 bristle movements. Sonicare Fluid Action supports the bristles to clean by driving fluid deep between teeth and along the gumline.

## Clinically tested

All Philips Sonicare brush heads are meticulously designed and clinically tested. So you can be sure that they meet the highest standard in quality, safety and performance.

## Replacement reminders

Did you know brush heads become less effective after three months? Dental professionals recommend changing your brush head regularly, that's why Philips Sonicare toothbrushes have BrushSync technology. It tracks how often and how hard you brush, then reminds you to replace your brush head once it's time for a new one.

## Click-on design

This brush head is compatible with all Philips Sonicare electric toothbrushes.\*\*\* Simply click it on or off for easy replacement and cleaning.

## Bio-based plastic

We are working to reduce our use of fossil-fuel-based plastic in our products. That's why 70% of the plastic in this brush head is bio-based.\*\*

## Paper-based packaging

All of our brush heads come in paper-based packaging which can be recycled where facilities are available.
