- Quick Calc release
- 2800 W for quick heat-up and powerful performance
- Less refilling with extra-large 300 ml water tank
- Steam output up to 50 g/min for faster crease removal
- Vertical steam
- Easy temperature control

Highlights

Steam boost up to 250 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets and iron with confidence at any temperature.

SteamGlide Plus soleplate

Our SteamGlide Plus soleplate delivers great gliding performance on all garments. Great scratch and wear resistance, non-stick and easy to clean.

Quick Calc release

Quick Calc Release for an easy cleaning for your iron and a long-lasting steam performance.

2800 W to heat up quickly

Delivers a fast warm up and powerful performance to get your ironing done quickly.

300-ml Water tank

Fewer refills are required thanks to a large 300-ml water tank, allowing you to iron more clothes in one go.

Continuous steam up to 50 g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

Vertical steam

Vertical steam function allows you to refresh garments right on the hanger and remove creases from hanging fabrics such as curtains. No ironing board required.

Variable steam settings

An elevated temperature control and variable steam setting is easy and precise to operate. You will always have the right temperature and steam for your garment.

Specifications

Country of Origin

Produced In: Indonesia

General Specification

Primary Material: N/A
Soleplate material: SteamGlide Plus

Green efficiency

Energy saving mode: Yes

Fast and powerful crease removal
