Ultimate grooming experience

- Full-body grooming in one product
- Grooming those hard-to-get places with back attachment

Bodygroom Series 5000

Showerproof groin and body trimmer

BG5021/15

Highlights

Full body grooming

Now you can confidently groom everywhere on your body with one tool. This Philips full-body groomer for men cuts hair at 3 different lengths for clean, even results on your back, shoulders, chest, abs, underarm, arms, groin and legs.

Back attachment

Conveniently remove back hair. This attachment has been specially designed for convenient back grooming.

Skin-friendly shaver

The shaver head features patented rounded tips and a hypo-allergenic foil to protect your skin while shaving. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

Bidirectional body comb

1 comb included for a natural 3mm trim. Attach the comb onto the shaving system, to trim hair to a fixed length of 3mm. You can use the

shaving system without the comb, for a closer result. For thicker hair, pre-trimming with the comb is recommended.

Body groomer built to last with no oil required

All of our body grooming products are built to last. They come with a standard global 2-year warranty, including the option to extend up to 5 years* and they never need to be oiled.

Wet and dry

Your wet-and-dry body groomer is fully waterproof, so you can use it in or outside of the shower and clean your groomer easily. For best results, use on dry hair before showering.

Rechargeable battery power 60

High-power rechargeable battery for full body use, with 60 minutes of cordless use. With the quick charging solution, you can use the appliance again after a 5 minute charge.

Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.
