FC8022/04

- 4 x dust bags
- One standard fits all
- Anti-allergy filtration

s-bag[®] Anti-Allergy

Better filtration, ideal for allergy sufferers

- A universal standard for an easy choice
- Anti-allergy, ideal for asthma and allergy sufferers
- High-resistance synthetic material, made in Sweden
- Hygienic closing system for easy disposal

Highlights

Universal standard

The original Philips s-bag® can be used for all Philips and Electrolux Group (Electrolux, AEG, Volta, Tornado) vacuum cleaners with bag. Skip the hassle of endlessly searching for a dust bag, simply look for the s-bag® logo.

Anti-allergen effect

s-bag® Anti-Allergy has high filtration to capture pollen, dust particles, dust mites, mite allergens and cat allergens as small as 1 micron. This level of filtration significantly reduces exposure to allergens in your family and is of benefit to asthma and allergy sufferers.

Highly resistant material

The s-bag® Anti-Allergy is made of a highly resistant synthetic material, produced in Sweden.

Hygienic closing system

The patented closing system of the Philips s-bag® allows for easy and clean disposal, without spilling the trapped dirt that is inside.

Specifications

General Specification
