

# NOVA 25" E-SPORT

## IPS 400HZ MONITOR

The Arozzi Nova E-sport features a lightning-fast 400Hz refresh rate paired with an ultra-responsive 1ms response time to deliver incredibly smooth visuals and near-instant feedback. Whether you're tracking fast-moving targets, reacting in split seconds, or pushing high frame rates in competitive titles, the Nova E-sport is designed to keep up.

Its high-quality IPS panel provides vivid colors and wide viewing angles without compromising speed, creating an immersive experience for both competitive gaming and everyday use. Combined with adaptive sync technology, HDR support, and versatile connectivity for PC and console gaming, the Nova E-sport delivers elite performance while remaining exceptionally price-efficient for its class.
