

Eco Accessory Pouch MOVE Large

Handy transport solution for travel, electronic and gaming essentials

Lived sustainability with a clear conscience - the accessories pouches are manufactured from recycled PET and are kind to the environment. Consistent recycling helps to conserve resources. At DICOTA, it's the foundation of our innovative solutions. Within the main material of the pouch, 4 PET bottles are given a new life - without compromising on quality, functionality or design. The bag offers excellent protection for your devices and is comfortable and easy to carry. Designed for daily use. Equipped with practical functions that make your life easier.
