

### Add more tracks to your DUPLO train set!

There's even more fun to be had when you grow your DUPLO train layout.

### A fun way to master building skills!

Help your toddler choose where to add the tracks, level crossing, switches and more.

## LEGO DUPLO Train Tracks

### All-aboard for creativity and imagination!

This fun set will provide endless building and learning fun!

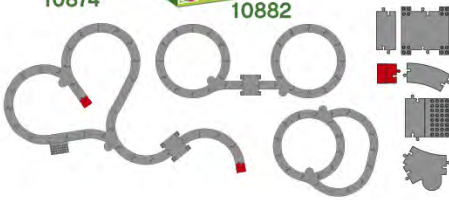

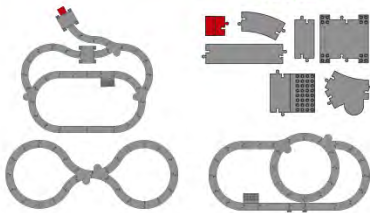

### Add an Action Bricks to the tracks!

Place the red Action Brick to make trains stop on the tracks. (Train not included in set.)

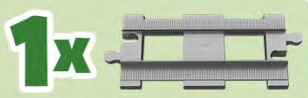

### Boost creativity and motor skills!

Toddlers can create their own DUPLO train stories as they build and play.

### Compatible with all DUPLO train sets!

These additional train tracks work with any DUPLO train set.

### Lots of track to get you started!

Includes straight and curved rails, switches, gate and more.
