Highlights

Skin-friendly shaver

The shaver head features patented rounded tips and a hypo-allergenic foil to protect your skin while shaving. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

Bidirectional trimmer and comb

Cut hair that grows in any direction using the bi-directional trimmer and 3 mm comb. Pre-trimming is recommended for thicker hair.

Wet and dry

Your wet-and-dry body groomer is fully waterproof, so you can use it in or outside of the shower and clean your groomer easily. For best results, use on dry hair before showering.

Rechargeable battery power 50 s

High-power rechargeable battery for full body use, with 50 minutes of cordless use.

Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

2 Year guarantee

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.
