Sandberg AC Charger USB-C PD65W EU 3m is an efficient USB-C charger with up to 65W power in a compact design. It's perfect for charging laptops, tablets, and smartphones. You can use one USB-C port at full power or distribute the power between two devices charging simultaneously. The included 3-meter USB-C cable provides extra reach, making the charger especially suitable for charging laptops when the nearest power outlet is far away. An ideal choice for the workplace, home, and travel when you need flexible and powerful charging.
