

Balance Keyboard (2nd gen) Family

Product sheet

Contour

**Available in two sizes,
Balance Keyboard lets
you work pain-free.
Combine with your
preferred Contour
centered mouse for
an ergonomic power
pair that keeps reach
to a minimum**

MAX PAIN RELIEF, FULL-SIZED LAYOUT.

Balance Full-Size works seamlessly with Contour Touch and fits RollerMouse Pro3. Pair with either for a fully-functional setup that relieves shoulder strain and increases daily comfort

SMALL IN SIZE, BIG ON PAIN RELIEF.

Balance Mid-Size keyboard is the perfect partner to RollerMouse Red. Combine them to enjoy an all-in-one ergo solution that fixes sore shoulders, tingling wrists and achy hands

EXTRA COMFY TYPING EXPERIENCE.

Balance Keyboard features finely-tuned scissor keys that deliver smooth, responsive typing with comfy curved keys that help guide fingers and stop stray strokes
