

MPN: AUDASM

Audio Adapter

The MicroConnect AUDASM Adapter seamlessly converts a 2.5mm male connection to a 3.5mm female connection, providing versatile compatibility for your audio devices. This adapter ensures a reliable and high-quality audio signal transfer, allowing you to connect headphones, microphones, and other audio equipment with different sized jacks. Designed with premium materials and adhering to European quality standards, the AUDASM adapter delivers exceptional durability and performance. A must-have accessory for audio professionals and enthusiasts alike, this adapter embodies MicroConnect's commitment to providing pioneering connectivity solutions at fair prices, leveraging over 20 years of industry expertise. This adapter simplifies your audio setup, allowing for broader device compatibility.
