TAB6100

Premium sound for all your entertainment

Immerse yourself in the action with rich, full audio via a sleek, compact soundbar that fits perfectly into your space. Capturing every second of the thrills, enjoy it all — from music to dramatic films and fast-paced sporting sequences.

Small footprint for unobscured access

- Looks great with a sleek, compact design

Ease of connectivity and control

- Operate other devices like your TV with Philips EasyLink
- Multi-input modes including HDMI-eARC for better syncing
- Seamlessly connect your favourite devices via Bluetooth 5.4

Immersive action straight from your living room

- Rich, powerful sound with 2.1 channel and up to 400 W Max
- Impactful bass depth via a wireless subwoofer
- 3D cinema sound with Dolby Atmos and DTS:X, DTS Virtual:X

Highlights

Quality surround sound

Experience robust sound with amplified audio on 2.1 channel and impressive power up to 400 W. Get immersed in the moment as you'll be sure to hear every detail with crisp clarity, from music and dialogue, to drama and adventure.

Rich and lifelike sound

Dig deeper via a powerful wireless subwoofer on this soundbar that delivers rich, deep bass. More impactful movies, music and games await, with cinematic depth that can be enjoyed directly from your living room.

Immersive cinema-like audio

Get into the action with high-fidelity audio via Dolby Atmos and DTS:X, DTS Virtual:X. Experience cinema-like audio with 3D sound as you enjoy music, movies, sports and more with deeper bass, clearer dialogue and sound on an expanded soundstage, without the need for additional rear speakers.

Stability with reduced lag

Be it tunes, action or more, connect your favourite devices with fast, easy connectivity to this soundbar via Bluetooth 5.4. Enjoy improved streaming and sound synchronisation for smoother audio with less lag.

Seamless connections

This full-featured soundbar comes with HDMI-eARC, syncing up audio from your TV seamlessly without the clutter of multiple cables. Further complete your audio connections through USB, audio-in and optical input.

Control multiple devices

Operate your soundbar and Philips TV with Philips EasyLink, that uses just one remote control to access your TV and connected devices. For added convenience and enhanced ease of use, control multiple devices with just one touch.

Sleek, compact design

With a low profile, sleek design that fits any home aesthetic, say goodbye to bulky soundbars. Comfortably add to your TV audio experience without extra bulk, and experience a sound quality output that belies its size.
