

Add to your DUPLO Train layout!

Train bridge and extra tracks mean more fun for your little one.

A fun way to master building skills!

Your toddler can build the train bridge and add on the tracks to make the railway come to life.

LEGO DUPLO Train Bridge And Tracks

All-aboard for creativity and imagination!

This fun set will provide endless building and learning fun!

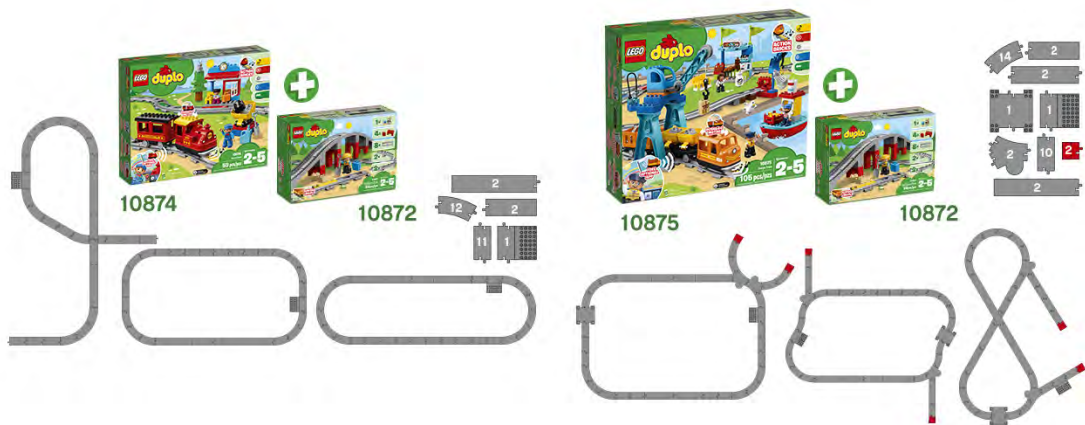

Add an Action Brick to the tracks!

This special brick makes any DUPLO train that passes over sound its horn. (Train not included in set.)

Boost creativity and motor skills!

Toddlers can create their own DUPLO train stories as they build and play.

Compatible with all DUPLO train sets!

Train bridge, tracks and yellow Action Brick work with any DUPLO train.

Includes DUPLO construction worker figure!

Plus buildable train bridge, eight straight track pieces and Action Brick.
