

# HyperX CloudX Stinger 2 Core Gaming Headsets Xbox Black

## LIGHTWEIGHT, ESSENTIAL FOR XBOX.

The HyperX CloudX Stinger 2 Core™ is the essential entry-level headset for the Xbox<sup>1</sup> gamer looking for great sound at an affordable price. This Official Xbox licensed headset delivers the basic features Xbox gamers want, great sound quality, comfort, and convenience. With audio controls right on the headset itself and a swivel-to-mute mic, you will not have to dive into system menus to adjust the volume or mute yourself. Adjustable sliders and soft ear cushions provide comfort for those long gaming sessions, and the flexible mic lets you position the microphone just where you want it. Stay immersed in your game thanks to the closed cup design and directional 40mm drivers that feature enhanced bass tuned for console gaming.

## Key features

---

### Official Xbox Licensed headset

CloudX Stinger Core was tested and approved by Microsoft and connects directly to Xbox One and Xbox Series X|S controllers with a 3.5mm port.

### Swivel-to-mute noise-cancelling microphone

Conveniently and definitively mute the microphone simply by flipping it up and out of the way.

### Onboard audio controls

With audio controls right on the headset itself, you will not have to dive into system menus to adjust the volume.

### Lightweight comfort

Soft ear cushions provide a comfortable fit, and the flexible mic can be positioned just as you like.

### Immersive in-game audio

CloudX Stinger Core's 40mm directional drivers are tuned to provide enhanced bass and are optimized for console gaming.
