

**Send Your Builder
Out Into The
Real World!**

KIDS CAN EXPLORE THE OPEN SEA!

Your child can become part of a brave rescue team with the LEGO City Coast Guard Sea Rescue Plane set. If your builder idolizes first responders, and wants to save the day, then this set is for them! Featuring a plane with an opening cockpit, rescue water scooter, raft, and light! Kids will love to role play with this real-world set! Makes a great gift for builders with a love for the sea and daring rescues!

- Authentic detail puts your hero right in the middle of the action
- Affordable and easy-to-build set makes a great gift idea for new LEGO fans
- Multiple models in one set for added play value
