Power through the noise

Hearing every word clearly on a call is not a nice-to-have, it is a must-have. With the Poly Savi 8200 Office series, you can tune out noise and nearby conversations with noise-canceling microphone plus close conversation limiting.

Freedom to roam

Being able to talk for a long time on a single charge means work gets done. And with the freedom to roam up to 590 ft/180 m means you can keep the calls going, even away from the desk¹.

Multi-device connectivity

Today's enterprise and contact center professionals work on a range of devices. Savi 8200 Office Series headset systems have 3-way connectivity – computer, desk phone and mobile phone – for convenient conferencing on up to two devices at once.

Featuring 3-way connectivity

Manage all your calls with a compatible single base that offers 3-way connectivity – computer, desk phone and mobile.

Crystal-clear calls

Reduce background sounds with noise-canceling microphone and close conversation limiting.

Extended talk time

Everyone can move, multitask, and get more done with up to 13 hours of talk time on a single charge. Plus, you can extend your talk time with the hot swappable battery.

Choice of wearing style

Your choice of wearing style with a 3-in-1 convertible design.

Training made easy

Make training and collaboration easy with the ability to conference up to 4 headsets onto a single base.

Communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.
