

USB to Lightning Cable - Apple MFi Certified - Long - 3 m (10 ft.) - White

Product ID: USBLT3MW

The USBLT3MW 10ft/3m Lightning to USB Cable for iPhone, iPod and iPad enables long-range syncing and charging of your Lightning-enabled mobile digital devices – making it ideal for people on the move who need to access their device while it's charging. The cable features heavy gauge (20 AWG) wire for overcoming distance restrictions and allowing for full charging power at a distance of up to 3m, with no loss of charge time.

The reversible 8-pin Lightning connector can be plugged into your iOS-enabled device with either side facing up, meaning there is no wrong way of inserting the cable into the device.

This durable cable is Apple MFi certified and backed by StarTech.com's 2-year Warranty to ensure dependable performance.
