

**Build your city your way**

Kids create their own road layouts, build a city around them and connect to other Road Plate sets to expand their city.

**A realistic backdrop to kids' creative play**

This LEGO® City Road Plates playset comes with toy streetlights, traffic lights, road signs, speed bumps and a crosswalk.

VIDEO

**LEGO® City Road Plates**

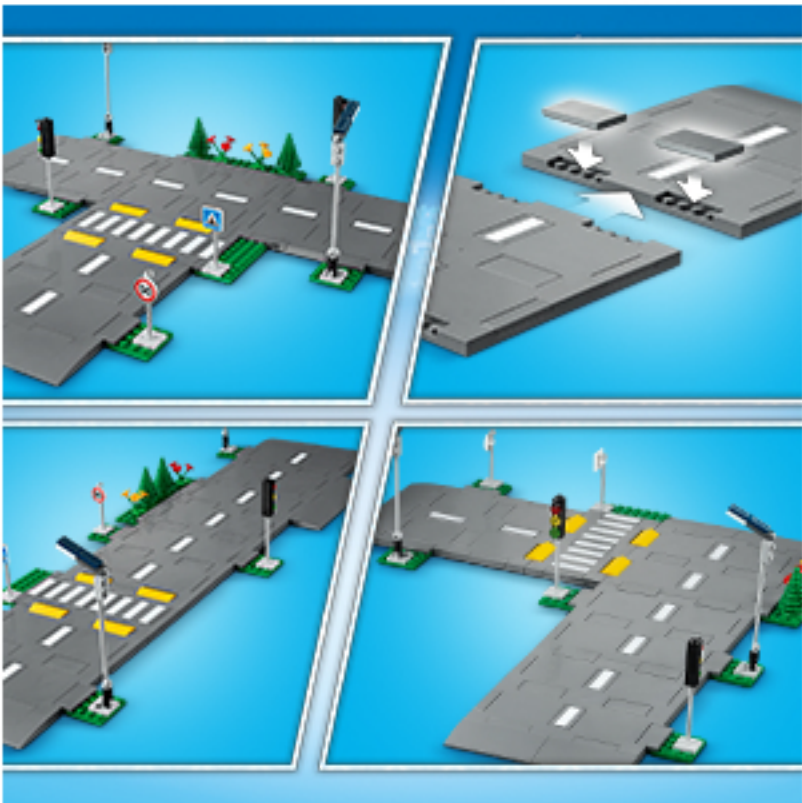

**Just like the real thing**

Realistic traffic lights and a crosswalk add to the play.

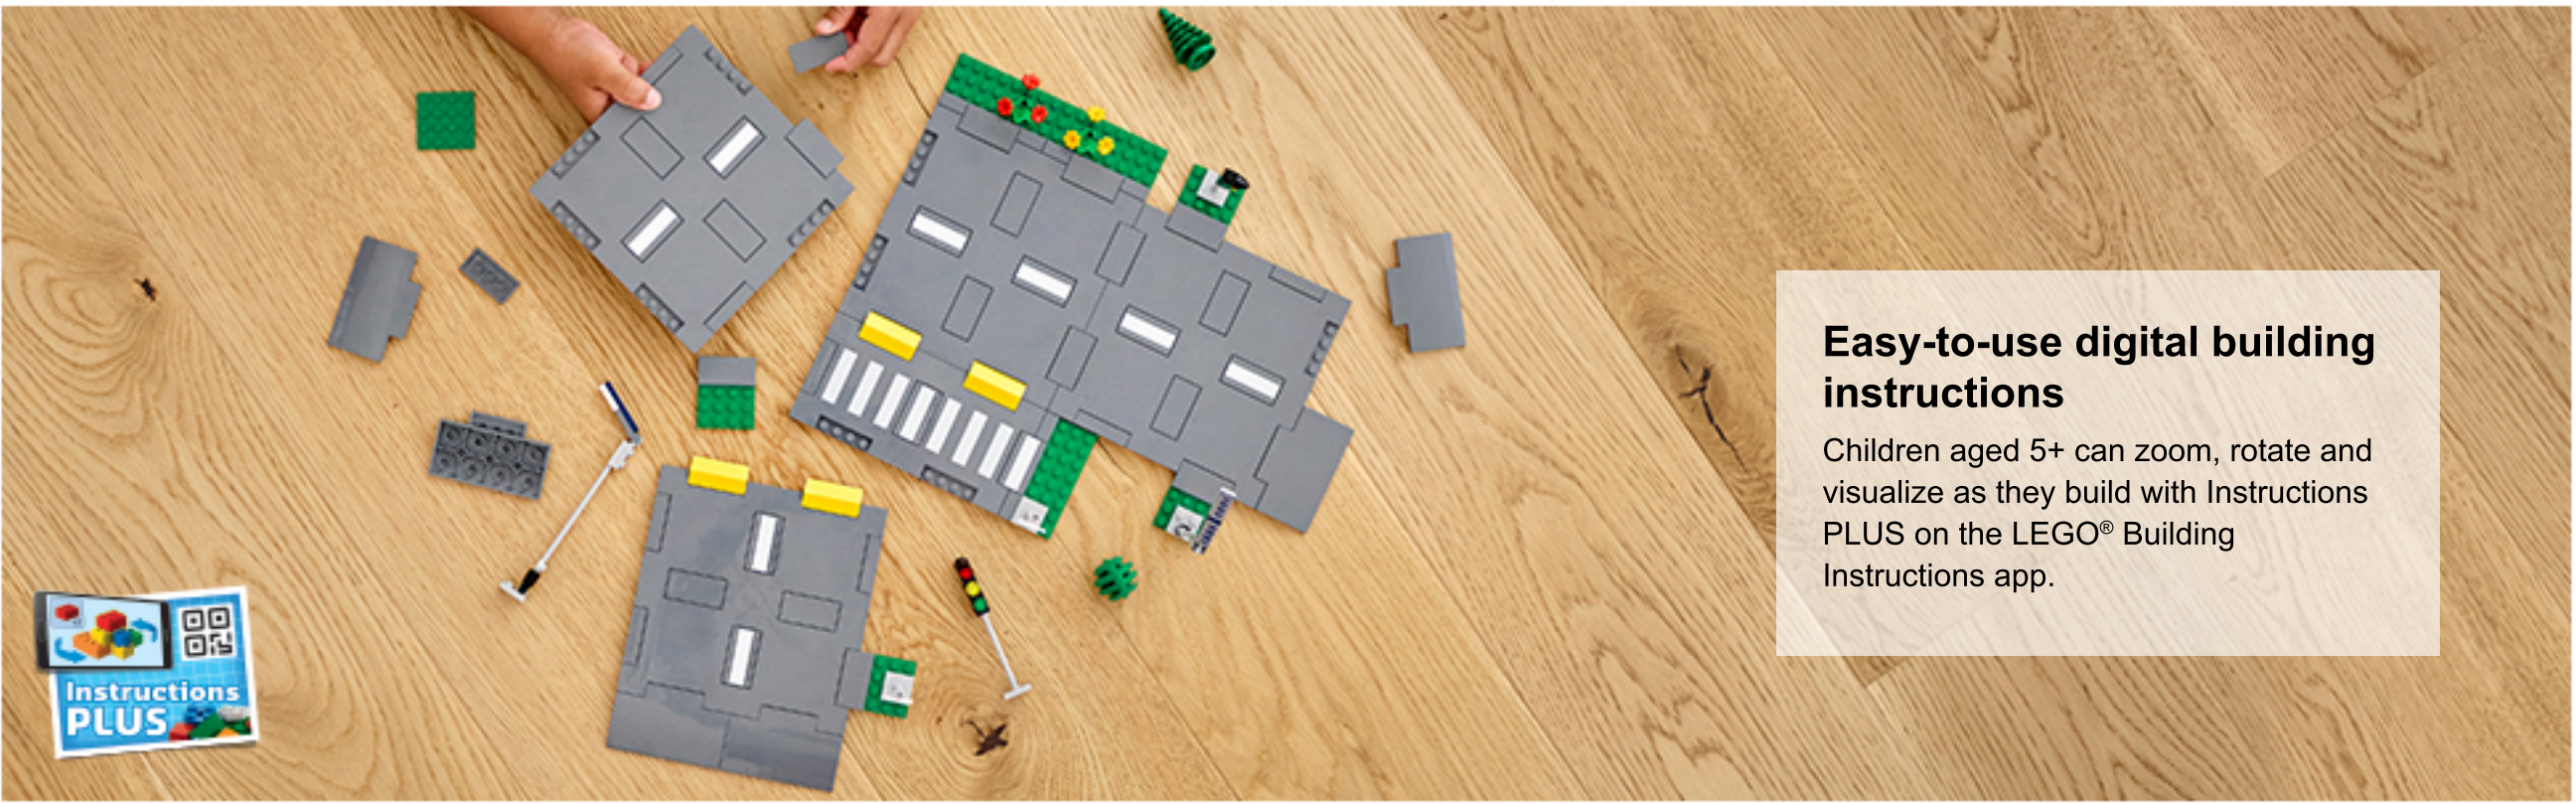

**Glowing city lights**

Check out the glow-in-the-dark streetlights.

**Versatile and easy to assemble**

Build your road network your way!

**Easy-to-use digital building instructions**

Children aged 5+ can zoom, rotate and visualize as they build with Instructions PLUS on the LEGO® Building Instructions app.

**Connect your creations with LEGO® Road Plates**

Take kids' imaginative play even further by connecting and combining this set with others from the LEGO® City range.
