-------------------	----	----	------

The Magnet Wireless Powerbank 10000 ALU is a super smart powerbank with several charging functions. Qi-compatible smartphones can be charged completely wirelessly by placing the phone on the charging plate on top of the power bank. The charging plate is magnetic and can therefore be stuck on iPhones that support MagSafe. The power bank is also equipped with a USB-C port for fast charging of devices up to 20W.
