Highlights

DuraPower

A device you can always rely on for a great look. DuraPower technology protects the motor and battery from overworking, effectively extending the clipper's lifespan.

13 Length Settings with Effortless Slide Button

Customise your hair length precisely with ease. Choose from 12 settings between 1 mm to 23 mm in 2 mm increments. For a closer trim, simply remove the comb for a precise 0.5 mm cut.

Self-sharpening stainless steel blades

Looking good has never been easier. Our hair clippers boast self-sharpening blades that are incredibly long-lasting, ensuring precision grooming from day one to year five and beyond.

Cordless and corded use

You won't get tangled up anymore with your cordless hair clippers. A single 8 hour charge offers up to 75 minutes of powerful clipping, or keep it plugged in for uninterrupted trimming.

Comfortable grip

Philips clippers feature a textured grip for easy handling, ensuring that you can cut your hair with control and comfort.

Washable blades

Effortlessly clean your electric hair clippers. Just click open the head to release and clean the blades

Zero maintenance

Experience clipping power that's easy to maintain — Philips' blades never need oiling.
