

School time has never been such fun!

Know a kid who loves toy buildings? Delight them with this 2-story set where they can play out their perfect day at school.

So many rooms to explore

Inside this 2-story school, kids will find a canteen, restroom, locker area and 3 classrooms to recreate their ideal lessons.

LEGO® Friends Heartlake City School

Role reversal

Kids will love playing the teacher for a change!

The perfect timetable

With kids in control, they choose their favorite lessons

Perfect for playing out friendships

Buddy up with the new boy over sandwiches in the canteen.

Makes building a breeze

Clear instructions ensure construction is straightforward, leaving kids to get on and enjoy developing their creative skills.

Stimulating build for little learners

Ideal construction challenge for kids aged 6+ who love school. This extensive set lets them recreate their favorite lessons.
