

MPN: KONCAT6A68

RJ45 coupler, CAT 6a, IP68, short, Outdoor

This RJ45 coupler is qualified for outdoor use. With IP68, it is protected for temporary submersion and dust.

In the short version, one part of the coupler is permanently protected, the other part is covered with a quick release fastener (screw cap), so the cap can be unscrewed if necessary and a patch cable can be connected.

Perfect for installations where one side is not permanent in use and you connect just sporadic an cable on the other side.

- or easy connection of network installation cables -without special tools
- for outdoor / industrial applications -provides increased protection against dirt and moisture
- suitable for PoE+ according to IEEE 802.3at
- strain relief integrated in the housing
- For cable diameters: 3mm to 8mm

Specifications

Features	AWG wire size	22/26
	Cable shielding	U/UTP (UTP)
	Cable standard	Cat6a
	Connector form factor	Straight
	Connector shielding	No
	Connector(s)	RJ-45
	International Protection (IP) code	IP68
	Product colour	Black
Packaging content	Quantity per pack	1 pc(s)
Vendor information	Brand Name	MicroConnect
	Warranty	25 Year(s)
