PRINCESS?

Table Chef **LED** light

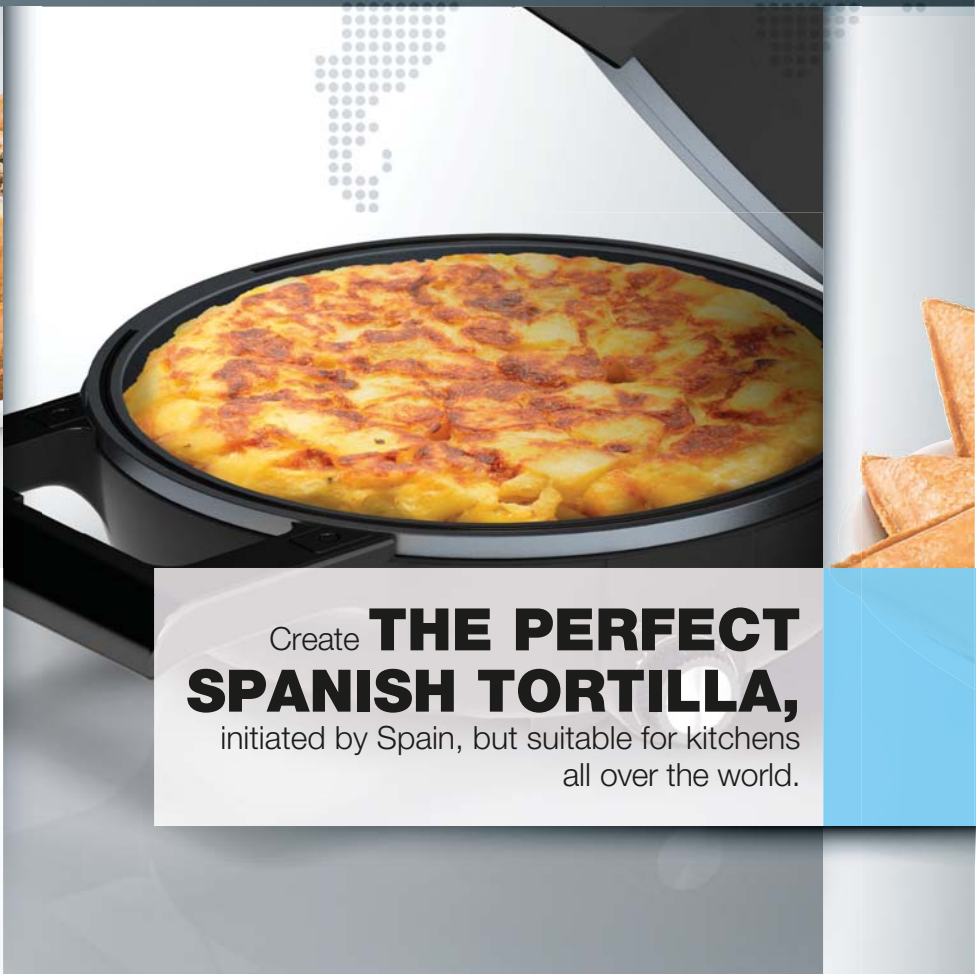

01.103060.01.001

Following the LED trend, we designed this unique Table Chef Led light. The Light is not only trendy, but also brings the perfect ambiance to the moment and the location. Create the right atmosphere for evenings with friends and dinners by adjusting the colour to your preference! The versatile griddle gives you plenty of options, ideal for use as a Japanese hot plate or as a BBQ on the patio or balcony.

SERVING DINNER WAS NEVER THAT FESTIVE!

With our new
**SAMOSASNACK
MAKER**
we make local dishes
accessible in every country.

Create **THE PERFECT
SPANISH TORTILLA,**
initiated by Spain, but suitable for kitchens
all over the world.

Princess

brings desirable essentials
to kitchens worldwide

Be excited

Cooking together. Creating a special moment every day, full of flavor and happiness, that inspires and captures the imagination. This is what Princess brings to every household. The unique qualities of our products increase the pleasure of cooking and their elegant styles catch your eye immediately. Add Princess to your range and enrich your customers with a choice of exciting kitchen wannahaves.

Be surprised

An expressive moment of silence. Swiftly followed by cheerful appreciation for what appears on the table. Daily routine vanishes where Princess appears. The clever designs and smart functions can turn anyone into a true chef. Preparing dinner turns into a real culinary experience. All the more reason to surprise your customers and offer them the ingenious solutions and charming designs by Princess.

What's a
HOME without a
PRINCESS?

Affordable

Tasty and luxury cooking is within anyone's reach. The products of Princess are not only stylish, appealing and ingenious, they are also wonderfully affordable. With this combination of luxury, unique designs and competitive pricing Princess adds value to your unique value proposition.

You'll be amazed

Princess is internationally known for its innovations. As a part of Smartwares Group, a fast growing consumer electronics company, we translate the latest trends and developments into characteristic products with surprising features and designs. Many of our products are unique and internationally patented. Each of them has had worldwide success. You will recognize our innovations from their special IP Protected logo. With Princess you offer your customers a unique, exciting and amazing cooking experience.

Slow Juicer Easy Fill

Extra-large double food intake - No pre-cutting

Create delicious fruit and vegetables juices quick and easy with this slow juicer. Due to the extra-large, tilting filling opening it is not necessary to pre-cut the ingredients. The 200 W motor and metal gears provides the necessary low speed.

- Slow speed 45-60 RPM
- Optimal preservation of vitamins
- Suitable for both hard and soft fruit and vegetables
- Large tilting filling opening 75 mm
- Continuously (re)fillable
- Juice tank 900 ml
- Pulp container 900 ml
- Stainless steel mesh filter
- Food pusher
- Reverse function
- Non drip system
- DC motor 200 Watt

01.202045.01.001

With a unique dual food intake perfect for bigger and longer ingredients, such as apples and carrots. The 75 mm tilting intake can even process a whole apple at once.

The slow and perfectly controlled juice technique of 45 to 60 rotations ensures that all valuable nutrients from fruits and vegetables - like vitamins, minerals and enzymes - are perfectly conserved in the juice. Also the taste is optimally preserved

No more juice dripping with the anti-drip system.

Kettles

Water & Tea Cooker

Induction Technology

Hot water & tea maker to brew your favorite tea with different temperature settings and keep it warm for 30 minutes. The powerful induction technique heats efficiently and the strong dishwasher proof (Schott) glass jar will keep its shiny appearance.

- Water kettle and tea maker in one
- Induction Technology - Efficient heating, low power consumption
- High quality, dishwasher safe glass (Schott Duran glass) jug
- Different temperature settings: 70°C, 80°C, 90°C and 100°C Celsius
- Adjustable keep warm function for 30 min
- Separate heating base
- Removable, dishwasher safe, stainless steel tea sieve
- Triple safety: Auto shut-off with acoustic signal, over-heat- boil-dry protection
- 360°-Central Cordless-Technique
- Dishwasher proof
- Volume: 1.5 L
- Power: 1700 Watt

01.236007.01.001

The high quality (Schott) glass jug is dishwasher proof and therefore easy to clean. Prevent limescale, tea stains and to maintain its shiny look.

Water or tea is heated with induction technology. The powerful induction technique heats more efficiently and is therefore more energy safe.

Insert the tea sieve and you can brew your favorite tea at its best temperature with the 4 different temperature settings. Keep it warm for 30 minutes.
